Date \_\_\_\_\_

Building colors for non-residential and Historic District properties must be approved by the Community Development Services Department and meet the following criteria:

**Outside of the Historic District**

- A maximum of five colors may be used on the exterior of any building, excluding the color of unpainted natural stone or roof material. Color selections must be complementary.
- High-intensity primary colors, electric, neon, fluorescent, and metallic colors, and black shall not be utilized as a body color. These colors may only be utilized as part of a corporate color scheme and in this instance, only as a replacement for either the trim or accent (not body) color, and only up to 20 percent of the total square footage of any one building facade.
- The city community development services department maintains an optional color palette. An applicant choosing from the optional palette will receive over-the-counter approval of their paint permit.

**Historic District**

- Refer to the color guide in the *Historic District Code Book* Page 3.22.
